700 DAVID HORNELL V.C. SQUADRON
ROYAL CANADIAN AIR CADETS

(serving Etobicoke and Weston)

700 Squadron Air Cadet Pledge

This pledge outlines the roles and responsibilities that I commit to follow in the Air Cadet program. I understand and pledge the following:

- I am joining Air Cadets because I am interested in the leadership opportunities, skills acquisition and fun activities that Air Cadets provides. As a new recruit I commit to participating for at least 6 months before I make any decision to leave the program.
- I recognize that I will benefit from the program only if I participate in the opportunities offered to me as I progress through the different levels. I will ask questions to understand what opportunities are available to me.
- I will attend all mandatory activities (Parade Nights, Training Exercises, Tagging Weekends, etc.), unless I request and am granted an excused absence. I will only sign-up for supplementary activities if I know I can and will attend the activity.
- I will take care of my uniform (and related kit items) and wear it with pride.
- I will endeavour to complete the activities and performance objectives of the different levels as I progress through the Air Cadet training program.
- I will make every attempt to participate in additional activities such as Band, Drill Team, Range Team, Effective Speaking and/or Debating Competitions, summer training camps, etc.
- I will enthusiastically participate in Community Volunteer opportunities as offered by the Squadron.
- I will, at all times, treat the program, my fellow cadets, the officers and Squadron volunteers with respect and in turn expect to be treated in a similar fashion.
- As a senior cadet I will give back to the program by mentoring junior cadets and by leading by example in all aspects of the program.
- Should I leave the program prior to my 19th birthday I agree to participate in an exit interview.
