

2024-2025 Year in Review

Firstly, Thank You!

Thank you to our cadets, staff and families for supporting a great training year. We have had a very busy year and it could not happen without the dedication of everyone.

Memorable Events

New Staff

November had us swearing in our newest officer, OCdt Tu. This is an event that hasn't happened in our squadron since Lt Evans was sworn in. Captain Jung also joined us this year as our Training Officer.

Remembrance Day

Cadets and staff participated in Remembrance Day services at Legion 31 and 286. 700 also held our own Service of Remembrance on November 8th. We also assisted both Legions with their poppy campaigns to raise money to help support veterans.

Lest we forget.

Mess Dinner

Mess Dinner is one of the most important formal events of the cadet calendar. It is a chance for us to get together to enjoy each other's company. Our special guest this year was Lt-Col Forster, CD, Commanding Officer of Blackdown CTC and former 700 Commanding Officer.

January - Back to Work

After the relaxing winter break, we were back to work in the new year. Our uniform preparation night helped cadets get their uniforms in tip-top shape.

Along with preparing uniforms, some of our cadets were also preparing for the glider/power pilot exam under the supervision of Lt. Lebrun. We are proud to have four power pilot and two glider pilot applicants this year. We are definitely on the "Wings of Tomorrow".

Veterans' Lunch - Legion 286

Legion 286 invited 700 cadets to take part in their annual Veterans' Lunch. Cadets entertained, and were entertained by the Legion's special guests. The veterans were very impressed with our cadets. It was a great day for everyone!

Legion Clean Up

The Legion looks after us, and we look after the Legion. Lt. Squitieri and a group of dedicated cadets spent a Saturday helping the Legion clean up their property. Cadets spent the day helping with gardening, cleaning and wildlife conservation when a nest of ducklings was found in one of the shrubs near the cenotaph.

6 - Perfection

7 - Brigadier General (Retired) Cochran and WO2 Popescu

8 - WO2 Patel and WO2 Popescu presenting the 2025 Display Team to Brigadier General (Retired) Cochrane.

Hard work and dedication paid off, as it always does. The practice evenings over the last month ensured that we looked our best for our reviewing officer, Brigadier General (Retired) David Cochran, MSM, CD. We celebrated the best of the best of our cadets as we presented the top squadron awards. The day was capped off with a performance by the 2025 Display Team, a collaborative effort between 700's Band and Drill Team, led by WO2 Patel and WO2 Popescu.

See you in September!

It would be impossible to include everything we did this year. It was such a full training year! We didn't touch on the St. Patrick's Day Parade, First Aid Training, Drill Competition and so much more. As many of our retiring cadets said in their farewell speeches, get involved in as much as you can and you will have a great cadet career!

Registration and revalidation will open in September. Information will be posted on the squadron website in mid-August. Enjoy your summer!
